July MEMBER SPOTLIGHT

Introducing: Naomi Morad, Body Psychotherapist

Naomi, how were you first introduced to NSA Georgia?

- I learned about NSA Georgia by chance! In August 2022, my husband was invited to one of the NSA GA events and I joined him. As I sat in the audience and listened to the wonderful speaker on stage, something grabbed my attention and I thought to myself, “*there is something here for me to learn.*”
- Although I wasn’t in the speaking business at the time I joined, my continued attendance sparked a 20-year-old vision I’ve had: Me, standing on a stage, presenting and teaching my work. I then understood why I continued to come back; I had a story to tell.

What is your background? How did you get into speaking?

- I am a Body Psychotherapist, with over 22 years of experience. My specialization lies in helping people move from “stuck to unstuck.” My patients gain clarity, insight, and a deeper connection, while freeing themselves from old patterns and beliefs that have been keeping them stuck in the past. In my practice, I focus on Brainspotting, a technique that processes trauma stored both in the body and the brain, Parts Works, and Inner Child Healing.
- Both in my personal life, and in my practice, I have witnessed over and over again, that it is possible to heal from anything. Having healed from 20 years of trafficking and sexual abuse, coupled with expertise in how to take people through their healing process, I’ve been inspired to take this message out into the world. People often feel stuck with their pain and don’t understand that true healing is possible and available to each and every one of us, if we choose.

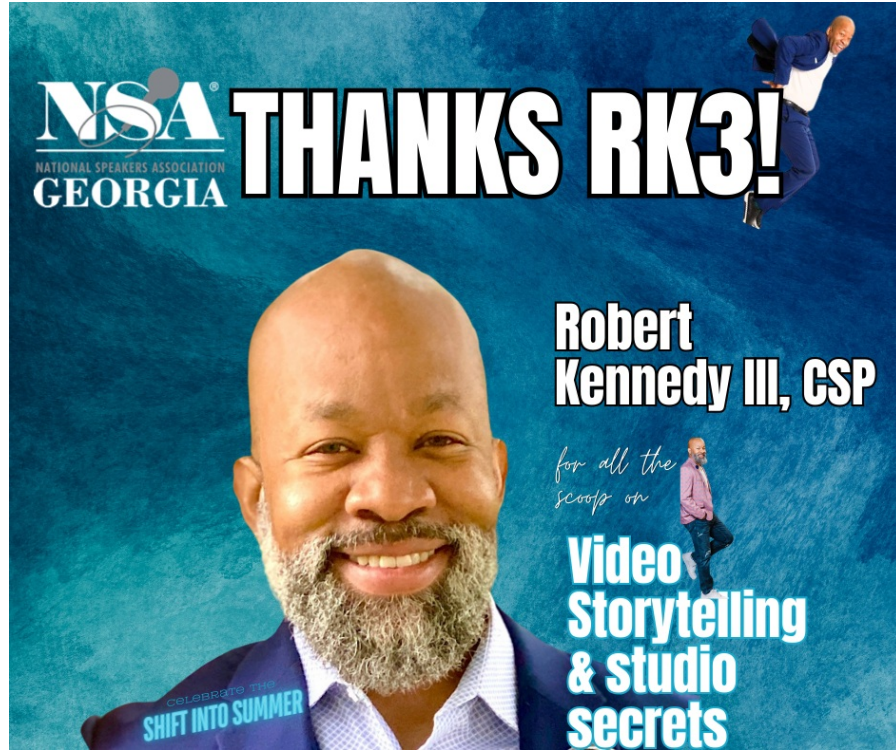

Please tell us more about the value being an NSA Georgia Member has brought you

- The people, connections, inspiration from the meetings
- Understanding what’s possible, as well as the value I have to give
- Fine-tuning my message

Can you share a quote that represents your experience so far?

- The more you learn and the more you experience, the more refined your message becomes.

THANK YOU ROBERT KENNEDY III, CSP

We want to thank Robert Kennedy III, CSP, again for an amazing NSA GA Member WORKshop. Your deep knowledge, tips, tricks and wisdom of video storytelling and how to utilize studio technology, blew us all away. You truly made an impact on our NSA Georgia members and we THANK YOU!
